

"The things thou hast heard...commit thou to faithful men, who shall be able to teach others also." 2 Timothy 2:2

November, 2013

Dear Faithful Partners in Ministry,

Timisoara Baptist Bible Institute

We have had a great start with training and preparing the students at TBBI. We have a good group of **new day and night school students.** There are a number of **graduates** that came back for the November Advanced Module on the book of Hebrews taught by Rev. Mike Allen and Rev. Bill Fortner. **How wonderful it is to see these students following God's will,** desiring to be trained as Pastors, Missionaries and Christian workers to be sent into the harvest fields of the world. **We ask you to pray with us about partnering with and supporting TBBI. We need your help more than ever, as we are currently running around \$900 per month short of what it takes to cover the expenses of room, board and education for our fine students. It cost around \$300 per month per student.** Would you prayerfully consider becoming a monthly partner of this vital ministry?

HOUSE OF HOPE ORPHANGE

We had a great time with the young people from the House of Hope Orphanage **at KFC during our visit.** They look forward to our coming because **this is a great treat for them to go out to eat!** Judy was able to go to the girl's dorm to visit with them and have them share their hopes and dreams for the future. Then we were both invited for a time of fellowship with the boys and girls. **We celebrated with a cake donated by one of the workers and we brought ice cream donated by one of our partners.** Even though this is not a direct ministry of Frontline Fellowship we love and support these kids. Pray for these young people and this ministry. A special thanks to those who gave towards the meal and the treat for these kids!

TBBI Don Kyer Building Addition

The roof is now on and we are waiting for the bricks to be laid to finish the exterior of the second floor. We are praying these things can be done in order that the windows can be put in place before the harsh winter sets in.. It will cost approximately \$10,000 for the windows for both floors. We had an engineer from the window company to come and give us a recommendation to use shatter proof tinted glass with three panes to further insure a lower heating cost. We are waiting for the final estimate for the large glass that will completely cover the back wall of the building. **We want to express a special 'thank you' to those who have been so faithful to pray and give! God bless all of you who support this ministry and the building project**

"The world asks, 'what does a man own?' Christ asks, 'How does he use it?'" Author unknown

Your Servants for Christ,

Bill and Judy Fortner
